

The Savings on ENERGY STAR® Central Air Conditioners Really Add Up

Only central air conditioners rated at 16 SEER + 13 EER or better qualify for a rebate.

Savings below are estimates only on a unit costing \$4,500. Actual savings will vary. Limit two rebates per customer, one per product category. Funds are limited. Rebates given on a first come, first served basis.

State Rebate	\$200.00
Federal Tax Credit	\$1,320.00
Manufacturer Rebate	unknown
Utility Rebate	unknown
Operating Savings per Year	\$60.00
Total first year dollar savings* (total will vary)	<u>\$1,580.00</u>

Finance your purchase with a Dollar and Energy Saving Loan at 2.5% or 5% interest from the Nebraska Energy Office
