

The Savings on ENERGY STAR® Dishwashers Really Add Up

Only ENERGY STAR dishwashers using 307 kWh/yr or 5.0 gal/cycle or less qualify for a rebate.

Savings below are based on an ENERGY STAR qualifying dishwasher — 20 percent better than the federal standard. Limit two rebates per customer, one per product category. Funds are limited. Rebates given on a first come, first served basis.

State Rebate	\$150.00
Manufacturer Rebate	unknown
Operating Savings per Year*	\$40.00
Total first year dollar savings	<u>\$190.00</u>

*Based on replacing a dishwasher from the 1980s.

Finance your purchase with a Dollar and Energy Saving Loan at 2.5% or 5% interest from the Nebraska Energy Office
