

The Savings on ENERGY STAR® Refrigerators Really Add Up

Only ENERGY STAR refrigerators that replace an existing refrigerator qualify for a rebate.

Savings below are based on an ENERGY STAR qualifying refrigerator rated 20 percent better than the federal standard. Limit two rebates per customer, one per product category. Funds are limited. Rebates given on a first come, first served basis.

State Rebate	\$200.00
Manufacturer Rebate	unknown
Operating Savings per Year*	\$100.00
Total first year dollar savings	<u>\$300.00</u>

*Based on replacing a refrigerator from the 1980s.

Finance your purchase with a Dollar and Energy Saving Loan at 2.5% or 5% interest from the Nebraska Energy Office
