

A Review of State-Based Clean Cities Coalitions

As of March 2010

State	Designation Date	Web link	Program Coordinator	Phone #	Email	Coord. Host	Mission/Focus Areas	Structure of Coalition	Stakeholders	Membership Dues	Other
Alabama	10/20/2009	http://www.alabamacleanfuels.org	Mark Bentley	205-402-2755	mark@alabamacleanfuels.org	none	Alabama Clean Fuels Coalition (ACFC), formerly Central Alabama Clean Cities. The mission is to bring Alternative Fuels and Alternative Fuel Vehicles to our towns and cities in Alabama. The availability of alternative fuels and the use of vehicles powered by alternative fuels in Alabama will foster: Increased domestic energy security; Enhanced economic development, and Improved air quality	Board of Directors, Officers, and four Committees: Development, Education and Outreach, Vehicle and Infrastructure, and Legislation	Alabama Gas Corporation, Alabama Power Company, Applied Research Center of Alabama, PMC Marketing/Hi-tech Fuels, Alabama Center for Alternative Fuels, Allied Renewable Energy, Dunn Building Company, LLC, General Motors Corporation, McPherson Oil Products, Alabama General Contractors (AGC), Alabama Propane Gas Association, City of Gadsden, City of Hoover, Civil & Environmental Consultants, Inc., Clean Energy Fuels Corp., Estes Equipment Company, Inc., Green to Grocer., Lawson State Community College, PetroGreen, LLC, Phoenix Energy Corp., Precision Sales & Service Inc., Quality Petroleum Corporation, Saiia Construction, White Energy Partners, Business Partners, David Abroms, Keith Barfield, Southeastern Cheese Corp., SustainAbility Initiative	Nine membership categories, from \$50 student to \$10,000 platinum. Link to application	Name change from Alabama Clean Cities to Alabama Clean Fuels Coalition
Arkansas	10/25/95 (although it seems they rebooted in 8/09)	http://www.arcleancities.org/	Karen McSpadden	479-575-5488	kmcspadden@winrock.org	Winrock International	The mission of the Arkansas Clean Cities Coalition is to advance the energy, economic, and environmental security of Arkansas by supporting local decisions to adopt practices that reduce the use of petroleum in the transportation sector. Winrock International, in sponsoring the Arkansas Clean Cities Coordinator, will lead local coalitions composed of fleets, fuel providers, and decision-makers that focus on a united goal: petroleum reduction.	Steering Committee	Winrock Int'l, DeClerk LP Gas, Chesapeake Energy, City of Conway, Metroplan, Arkansas Energy Office, ADEQ, Ark. Game & Fish, City of Cabot, City of Little Rock, CenterPoint Energy, APInnovations, Hornbeck Agricultural	Unknown	
Connecticut (There are actually four regional Clean Cities coalitions; no state-wide office.)	1999	Capitol Clean Cities of Connecticut	Craig Peters	(860) 242-3276	http://www.ct-ccc.org/contact-us/2-capitol-clean-cities-of-ct-contacts/2-craig-peters.html	unknown	Advance the economic, environmental, and energy, and energy security of the United States by supporting local decisions to adopt practices that contribute to reduced petroleum consumption in the transportation sector. We accomplish this mission by focusing on following objectives: Promote the use of Alternate Fuels and Alternate Fuel Vehicles (AFVs) Increase Fuel Blends use: diesel/Biodiesel, ethanol/gasoline, compressed natural gas/hydrogen Accelerate sales of Hybrid Vehicles Promote informed consumer choice on fuel economy Encourage the use of idle reduction technologies for heavy duty trucks and other vehicles Facilitate Public/Private Projects	unknown	Air & Gas Technologies, Inc., Bell Power Systems, City of Hartford, Department of Health, Manchester Honda, Nana, Inc., Planning Partners, Inc., R&G Services, LLC, State of CT, Dept. of Administrative Services, Southern Connecticut Gas, Town of Glastonbury, Town of Newington, Town of Rocky Hill, Town of Wethersfield, Yankee Gas Services Company, Yellow Cab Company, US Department of Energy	unknown	
Delaware	1993	Delaware Energy Office http://www.dnrec.delaware.gov/energy/Pages/default.aspx	Suzanne E. Sebastian	302-735-3480 /302-739-1840	suzanne.sebastian@state.de.us	Delaware Energy Office		unknown	unknown	unknown	It is unclear whether there is an organization; the impression is that there is someone in the state's Energy Office who will apply for grants and so forth, but otherwise there isn't evidence of an actual coalition.

A Review of State-Based Clean Cities Coalitions

As of March 2010

State	Designation Date	Web link	Program Coordinator	Phone #	Email	Coord. Host	Mission/Focus Areas	Structure of Coalition	Stakeholders	Membership Dues	Other
Iowa	10/15/2005	http://www.iowacleancities.org/	Brian Crowe	515-725-2066	brian.crowe@iowa.gov	State of Iowa Office of Energy Independence	<p>The ICCC builds strong, self-sustaining partnerships with industry, stakeholders, fleets, fuel suppliers, and business partners with the goal of decreasing petroleum use. The program focuses on alternative fuels and alternative fuel vehicles, hybrid electric vehicles, fuel blends, heavy-truck idle reduction applications, and general fuel economy improvements to help reduce the nation's need for imported oil.</p> <p>Based in Des Moines, Iowa, the state capitol and the largest city in Iowa, the ICCC coordinates educational activities, promotes renewable fuels and renewable fuel infrastructure, and collaborates with partners to promote emerging technologies in the State of Iowa.</p>	None	Have Stakeholders, but list is not publicly available.	None	Link to Membership Information and Survey; Brian has offered to share insights from his experience.
Kentucky (Kentucky Clean Fuels Coalition)	10/18/1994	http://www.kentuckycleanfuels.org	Melissa Howell	502-452-9152 502-593-3846	kycleanfuels@insightbb.com	none	The mission of the Kentucky Clean Fuels Coalition (KCFC) is to link providers and users of fuels across Kentucky to the best information and education available about clean energy technologies. We carry out that mission by building partnerships between providers and users of fuel, and by raising awareness about the benefits of using those technologies.	Board of Directors	Wayne Power Systems, Ingram Barge Company, Kentucky Corn Growers Association, Bluegrass International, Eaton Corporation, Marathon Petroleum, UPS, Yum! Brands, Mercer Transportation, IC Bus - A Navistar Company, Commonwealth Agri-Energy, Thomas Built Buses, Alltech, Carmeuse Lime & Stone, Cummins Crosspoint, Lykins Oil, Owensboro Grain, Griffin Industries, Thorntons Inc, Forever Resorts, Green Fuels Holdings, Jefferson County Public Schools, Kentucky Department for Energy Development and Independence, Kentucky Department of Agriculture, Kentucky Division for Air Quality, Kentucky Soybean Association, Lexington Fayette Urban County Government, Louisville International Airport, Mammoth Cave National Park, Max Arnold & Sons, Metropolitan Sewer District Louisville, Murray State University, Riley Oil, TARC - Transit Authority of River City, University of Kentucky - College of Agriculture, University of Louisville - KY Pollution Prevention Center	Platinum \$3,000; Gold \$2,000; Silver \$1,000; Supporter \$800; Non-profit \$800	Membership benefits tied to dues levels LINK
Maine	9/4/1997	http://www.gpcog.org/Transportation_and_Land_Use/Maine_Clean_Communities.php	Steven Linnell	207-774-9891	slinnell@gpcog.org	The Greater Portland Council of Governments (GPCOG)	To reduce Maine's dependence on imported petroleum in the transportation sector and improve air quality through the development of alternative fuel infrastructure, deployment of clean fuel vehicles and fuel efficient technologies.	Steering Committee. Link to list of 26 members	AAA New England, Maine DOT, Alliance for Transportation Choice, Maine Industries of the Future, Androscoggin Transportation Resource Center, Maine Interfaith Climate Change Initiative, Androscoggin Valley Council of Governments, Maine Turnpike Authority, Colby College, Mermaid Transportation, Cummins Engine Manufacturers, Natural Resources Council of Maine, DOE Region 1 Northern Utilities, EPA Region 1, PACE, Global Energy Services, Frontier Energy, PACTS, Greater Portland Council of Governments, Regional Transportation Program, Greater Portland Transit District (METRO), Sierra Club, Maine Chapter, Hydrogen Energy Center, Suburban Propane, Island Explorer, Sunday River Ski Area, Lewiston Auburn Transit Committee, University of Southern Maine, L.L. Bean, VIP Tour & Charter Bus Company, Maine Council of Churches, Waynflete School, Maine DEP, World Energy Alternatives, LLC	Funding is provided by the US Department of Energy, the Federal Transit Administration and PACTS	This program is not state-wide, but is run out of the Transportation Planning Section of the Regional Council of Governments. It appears to be very well coordinated as a component of the regional transportation planning efforts.

A Review of State-Based Clean Cities Coalitions As of March 2010

State	Designation Date	Web link	Program Coordinator	Phone #	Email	Coord. Host	Mission/Focus Areas	Structure of Coalition	Stakeholders	Membership Dues	Other
Maryland	1994	http://energy.maryland.gov/incentives/transportation/cleancities/index.asp	Chris Rice	410-260-7207	crice@energy.state.md.us	Maryland Energy Administration	<p>To enhance our nation's air quality as well as economic, environmental, and energy security by supporting public and private partnerships that promote the use of clean-burning Alternative Fuel Vehicles (AFVs) and build their associated fueling infrastructure.</p> <p>Though alternative fuels are the cornerstone of Clean Cities, the program also works to increase the use of fuel blends, accelerate sales of hybrid vehicles, promote informed consumer choice on fuel economy, and encourage the use of idle reduction technologies for heavy-duty trucks and other vehicles</p>	unknown	unknown	unknown	The web link has limited information and does not appear to be active; the most recent newsletter is from October 2008. Links from the site go to the state's energy office.
Massachusetts	1994	http://www.mass.gov/?pageID=e0eeasubtopic&L=4&L0=Home&L1=Energy%2c+Utilities%26+Clean+Technologies&L2=Alternative+Fuels&L3=Clean+Cities+Coalition&sid=E0eea	Stephen Russel	617-626-7325	Stephen.Russell@state.ma.us	Massachusetts Dept of Energy Resources	<p>To encourage the use of alternative fuel vehicles (AFVs) with the help of local businesses, organizations, and numerous state and federal agencies. The Coalition operates on the premise that we can change our communities for the better through cooperation and voluntary partnerships, working to improve air quality and reduce our reliance on imported oil. Clean Cities also helps support the development of the necessary infrastructure to make AFVs a viable transportation option.</p> <p>The Clean Cities Program provides: Grant Funding Opportunities; Discussion Forums for Alternative Fuels, Vehicles, and Related Infrastructure; Information Pool and Vendor Base; Technical Assistance with Alternative Fuels Projects; Help with Planning and Implementing Alternative Fuels Events; Education and Training for the Safety and Maintenance of Vehicles and Infrastructure</p>	unknown	Alternative Fuel Systems Inc., Azure Dynamics Corporation, AVSG LP, Clean Energy Fuels, Corp., Cole & Company, Grassroots DaimlerChrysler Fleet, Dynetek Industries Ltd., Ford Motor Company, General Motors (GM), MANCHESTER HONDA, Cape & Islands Self-Reliance, The Williams Agency, Zipcar, Ztek Corporation, Harvard University, KEYSAN, Levitt Consulting, MIT, NSTAR, Praxair, Toyota, World Energy, XENERGY, The American Lung Association of Massachusetts, EnergyTeachers.org, ICLEI USA, The Northeast Sustainable Energy Association (NESEA), Northeast Gas Association, The Environmental Protection Agency (EPA), City of Medford, The State Office of Vehicle Management (OVM), Logan Airport, MassHighway, State Police, Steamship Authority, UMass Amherst, Lowell, City of Boston, City of Cambridge, Everett Police Department, Weston School Department	unknown	This program's website is found under the Alternative Energy section of Massachusetts Office of Energy and Environmental Affairs; It appears to be run through that agency.
Minnesota (Twin Cities)	5/31/2001	http://www.cleancities.org/cities/tc.cfm	Lisa Thurstin	651-223-9568	lisa.thurstin@LungMN.org	American Lung Association of Minnesota		unknown	American Lung Association of Minnesota, City of Brooklyn Park, City of Minneapolis, City of St. Paul, Ford Motor Company, General Motors, Grossman Chevrolet, Hennepin County, Holiday Companies, MN Corn Growers Association, MN Department of Commerce, MN Department of Administration - Travel Management, MN Dept of Agriculture, MN Pollution Control Agency, MN Soybean Growers Association, MN Valley Transit Authority, Schwan's Ice Cream, U.S. Department of Energy National Clean Cities, U.S. General Services Administration, USPS Northland District, AJ Moses, private citizen	unknown	The Twin Cities Clean Cities Coalition (TC4) is based on the metro area, not state-wide. The American Lung Association of the Upper Midwest appears to be the agency responsible for the program; web site links indicate shared responsibility for several other metro/region areas in adjacent states. Information about the TC4 is rather limited.
