CLEAN-BURNING MOTOR VEHICLE FUEL DISPENSING PROPERTY REBATE INFORMATION

Rebate amount equals 50% of installed cost or \$2,500.00, whichever is less.

Installed cost must be supported by copies of final paid invoices showing manufacturer, make, model number, and serial number of property installed and installation costs and copies of documentation showing proof of payment.

Purchases of dispensing property and installations made prior to January 4, 2016 are not eligible for a rebate.

Eligible applicants are only legal residents of Nebraska. A legal resident is a Nebraska taxpayer, a Nebraska partnership, a Nebraska

chartered corporation, a subdivision of Nebraska government, a person who has maintained a permanent residence and lived in the state for more than six (6) months. Nebraska state government agencies also are eligible applicants.

Applicants are not eligible for a rebate if the applicant for the rebate has claimed another rebate or grant for the same dispensing property under any other Nebraska state rebate or grant program.

Completed W-9 form and United States Citizenship Attestation Form (individuals and sole proprietorships only) must be submitted with the application for a rebate.

TERMS AND CONDITIONS

- Rebate application submissions are reviewed and processed on a first-come, first-served basis until program funds are depleted. Rebate qualifications and amounts are subject to change. Rebate funds are limited. Rebate amounts and/or funding guidelines for these rebates may be changed or discontinued at any time without notice. Please check for rebate updates at www.neo.ne.gov.
- The Nebraska Energy Office (NEO) reserves the right to verify the applicant's eligibility for the rebate, and is not responsible if the manufacturer or dealer/seller fails to provide accurate information about the amount of a rebate or eligibility.
- By completing the New Qualified Clean-burning Motor Fuel Dispensing Property Rebate application form, the applicant represents and warrants to NEO that the applicant's dispensing property qualifies for the New Qualified Clean-burning Motor Fuel Dispensing Property Rebate program in all respects. NEO reserves the right to verify all information provided.
- NEO does not sell or manufacture the dispensing property that qualifies for rebates under the New Qualified Clean-burning Motor Fuel Dispensing Property Rebate program, nor does it endorse or recommend any particular equipment. NEO is not responsible for any decision regarding the selection of property to qualify for rebates under the Rebate program. The Nebraska Energy Office THEREFORE DOES NOT MAKE AND HEREBY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE FOR ANY DISPENSING PROPERTY CHOICE THE APPLICANT MAKES. The applicant is responsible for the full cost of the dispensing property. NEO will not intervene in disputes between an applicant and their selected seller/dealer/installer.
- NEO makes no warranty concerning whether use of a qualified clean-burning motor fuel vehicle dispensing property will accomplish any projected or targeted fuel cost savings.
- NEO encourages each participant to review all program eligibility requirements.
