

The Cazer Green

A Nebraska Green Building Certified Home

Conventional Construction

Monthly Costs

Mortgage	\$1,454.42
Heating and Cooling	\$93.00
Conventional Lighting	\$25.00
Conventional Showerhead	
Water and Sewer	\$27.00
Conventional Showerhead	
Water Heating	\$33.00
Lawn Watering	\$32.00
Monthly Total	\$1,664.42

Green Built Construction

Monthly Costs

Mortgage	\$1,516.20
Heating and Cooling	\$17.00
Energy Efficient Lighting	\$9.00
Low Flow Showerhead	
Water and Sewer	\$11.00
Low Flow Showerhead	
Water Heating	\$14.00
Lawn Watering	\$11.00
Monthly Total	\$1,578.20

Calculations are based on the following assumptions:

- ⊗ Mortgage costs calculated based on a 20% down payment, 6% loan financing over 30 years.
- ⊗ Utility cost estimates for showering assume five (5) residents in the home.
- ⊗ Water, sewer and water heating cost estimates are associated only with showering and do not take into account other water, sewer and water heating uses in the home.
- ⊗ Lawn watering cost estimates based on watering recommendations for bluegrass and tall fescue provided by the University of Nebraska Cooperative Extension.

Total Monthly Green Built Cost Savings: \$86.22

Green Building Nebraska Certified HomeSM is your assurance a new home has been built to exacting energy and environmental standards established by the State of Nebraska's Energy Office and constructed by a Certified Builder.
