

Dollar and Energy Saving Loans Replacement Appliance Application

Name _____ Mailing Address _____ Building Age (Yrs) _____

ABOUT THE LOANS

Dollar and Energy Saving Loans can finance the purchase of replacement refrigerators, freezers, dishwashers, clothes washers, steam cookers, fryers, hot food holding cabinets, dehumidifiers, room air conditioners and room heat pumps.

Eligibility for these improvements is based on ENERGY STAR® certification. ENERGY STAR® certified products provide energy efficient choices that can save on your energy bill with similar savings of greenhouse gas emissions, without sacrificing features,

style or comfort. You can ensure that the replacement products you are considering are ENERGY STAR® certified by verifying the manufacturer and model numbers in the appliance products section at <http://www.energystar.gov>

Your current appliance must be at least three years old and must be traded in or disposed of in some manner — you cannot keep it in your possession.

11 <input type="checkbox"/> Room Heat Pump 	Manufacturer and Model Number Age (Yrs) What Will be Done With Old Heat Pump?	Manufacturer and Model Number EER	\$

TOTAL OF LINES 1 THROUGH 11 \$

You may NOT contract for or purchase the appliances you propose in this application prior to the Energy Office signing a Commitment Agreement (FORM 10) with your lender to participate in the loan.

If you do so, you will lose your eligibility to finance the appliances with a low interest loan.

You may accept a bid, contingent on the Energy Office's signed commitment of funding, to lock in the price, but you may not purchase or contractually obligate yourself until your lender notifies you that the Energy Office has signed the Commitment Agreement on your loan.

SUBMIT THIS COMPLETED FORM AND THE BIDS OR PRICE QUOTES TO A PARTICIPATING LENDER

FUEL SUPPLIERS (If you have already completed FORM 2, 3 or 4 do not complete the section below)

INSTRUCTIONS

WHO MAY APPLY. Only legal residents of Nebraska may apply for loans. A legal resident is a Nebraska taxpayer, a Nebraska partnership, a Nebraska-chartered corporation, a subdivision of Nebraska government (except public school districts) or a person who has maintained a permanent residence and lived in the state for more than six months. Residency requirements may differ for ENERGY STAR® business or non-profit partners.

GETTING BIDS. You should get bids or quotes first, so you will have them available for your lender.

WHERE TO FILE. Take this form and the bids or price quotes to your participating lender for loan processing. If the lender of your choice is not participating in this program, contact the Nebraska Energy Office for the lender nearest you.

FOR INFORMATION. Contact the Nebraska Energy Office, P.O. Box 95085, Lincoln, NE 68509-5085, Phone: (402) 471-2867, Fax: (402) 471-3064, Email: energy@neo.ne.gov

SPECIFIC LINE INSTRUCTIONS

NAME AND ADDRESS. Print or type your name and mailing address in the space provided. If the appliances are to

be installed in or attached to a building, give the age of the building in years. Otherwise, mark "NA."

LINES 1-11. Mark the box for each type of appliance you intend to replace. Then fill out all the requested information for each appliance type for both old and new (replacement) appliances.

FUEL SUPPLIERS. If you have *not* completed this information on a Form 2, 3 or 4, provide the name, mailing address, telephone number and your account number for your electric utility and each of the fuel suppliers serving this address. If the only energy source for the building is electricity, check the box provided. If an account is not in your name, then check the box and attach a completed Form 35 with the information for that fuel supplier. (This might happen where a landlord is seeking a loan, but the tenant pays the energy bill.)

SIGNATURE. Sign and date this application and attach copies of the price quotes for the new appliance(s) described on this form. Take this application to the local lending institution of your choice to apply for a Dollar and Energy Saving Loan.
